MICA MEMBERSHIP

MICA's membership goal is that all who enjoy the Islands be members

\$10 per person, annual membership

\$20 per family, annual membership

\$200 per person, lifetime membership

ISLAND OWNERSHIP

Ownership of acquired islands resides with our major funding partner, the Province of Nova Scotia for all properties with the exception of Mason's northern end which is with the Municipality of the District of Lunenburg.

MICA FORMATION

MICA was formed by local residents in the fall of 2001 in response to the accelerated private development of many of the Mahone Bay Islands.

MICA is a nonprofit society with charitable status that operates with a 100% volunteer Board of Directors and work teams that channel 100% of all funds towards our mission.

STEWARDSHIP OF THE ISLANDS

MICA's Stewardship goal is that all island users are the island stewards. Please do your part when visiting the Islands by packing out what you packed in.

'Please leave only your footprints'

MICA success to date has been the result of:

- Thousands of volunteer hours.
- Strong partnerships with the Nova Scotia Department of Natural Resources, the Municipality of the District of Lunenburg and the Municipality of the District of Chester
- Members and Friends of MICA
- Our Corporate Supporters

MICA FUNDRAISING

Our major fund raiser, the **Annual Gala Dinner and Auction**, combined with the generous donations of our supporters have allowed MICA to contribute over \$1.2 million towards the acquisition of these Islands in service of our mission.
